Enneagram test free printable

All Enneagram material used with the kind permission of Don Riso, Russ Hudson and the Enneagram Institute. The RHETI Sampler's 36 questions are only a part of the full, scientifically validated 144-question Riso-Hudson Enneagram Type Indicator (RHETI, Version 2.5) personality inventory. Short personality quizzes such as the RHETI Sampler here cannot guarantee that your basic personality type will be indicated, although your type will most likely be one of the top three scores in this free quiz. We recommend that you read the Enneagram type descriptions after taking this test, and in Riso-Hudson Enneagram books, to help you identify your basic personality type. Enneagram Academy are currently offering a free fifteen minute consultation on your test results (Australian residents only). Complete your test for further details on this offer. Instructions The RHETI Sampler, like the complete RHETI itself, is a forced-choice psychological test which requires you to choose one statement in each pair of statements that describes you best. For each pair of statements, select the statement that applies to you most of your life. Do not over-analyze the questions, or try to think of "exceptions to the rule." Be spontaneous and choose the statement that comes closest to the way you have been most of the time, most of your life. Occasionally there will be questions that ask you to make a close call between two choices. This is because the RHETI is trying to reveal areas where you have similar behaviors or attitudes. If a question is very close and you can't decide which statement applies to you best, you can come back to it after you have completed the other questions before submitting. The RHETI Sampler usually takes about 10 minutes to complete (The complete 144 question RHETI takes about 40 minutes to complete.) Once you have selected and reviewed your answers, click on the Score My Test button, and wait for the personality profile of your scores to be calculated. If you have answered honestly and accurately, your basic personality type should be one of the top three scores. To confirm which type you might be, read the type descriptions in the Riso-Hudson best-selling books, The Wisdom of the Enneagram and Personality Types - the two most complete and in-depth books in the Enneagram field. And please remember that unlike the full RHETI, this short, fun personality test is NOT scientifically validated. We cannot guarantee the accuracy of the results of the personality analysis produced by this short personality quiz - only that it can help you begin your journey of self-discovery! Taking a free enneagram test to help determine which enneagram type you are is a great place to start. Discovering your personality along with the motives and reasons behind it can be fulfilling and fruitful work. Keep in mind, taking a test is just the beginning. Beth McCord describes the usefulness of the enneagram in the following way: The Enneagram accurately and clearly describes why you think, feel, and behave in particular ways based upon your core fears and core desires. The power of the Enneagram is in its ability to harness and transform self-limiting behaviors into life-enhancing personal empowerment. Be prepared to find things out that are rewarding and also unsettling. This is the work of discovery and exploration to help uncover and become the best self you were created to be. Using a free enneagram test from a reputable source is important. For this reason, we've listed the four best free enneagram tests that we trust and found helpful too. Are Free Enneagram Tests Accurate? Keep in mind, no self-reporting test is 100% accurate, but that doesn't mean that you shouldn't take one, especially if they're free! Because the assessments are free, it's advantageous to take all four to see if your results align. The links are easy to navigate, and you can return to this page to visit each test. Each test takes only ten minutes. We think Truity's Enneagram Personality Test is the best free enneagram test available online. The questions are in-depth, easy to respond to, and quick to navigate. The assessment results provide a quick introduction to your possible type, how you scored for all nine types, what makes you unique, and your personality superpowers. Our list of the Top Four Best Free Enneagram Tests includes accurate assessments from credible, trustworthy organizations. We believe each resource will help you in your journey with the enneagram. The enneagram helps us to understand the basic motivations of each personality type. Using it can help you communicate with and relate to others more effectively. The Enneagram is a tool that helps us awaken both self-compassion and our compassion for others. When we learn self-compassion and allow our hearts to expand, we can stop trying to change people and simply love them for who they are. - Ian Cron While we may seem different on the surface, in reality, we have similar things in common: a desire for connection, understanding, support, and acceptance. The enneagram is useful because it reveals areas of motivation, desires, and fears. Understanding these underlying things is helpful in one's journey to become more self-aware and relate better to others. If you take a test, we'd love to know your results! Come back and share your type in the comments below! Happy Test Taking! Read this blog post to find the top 10 Enneagram tests you can take for free. The Enneagram is a personality typing system that consists of nine different types. Every person belongs to one of the nine types, although one can have traits belonging to other types. The Enneagram is a useful guide on your journey towards self-development, relationship building, career paths, and the improvement of team dynamics. The Nine Enneagram Types Anna Takayoshi from Behance According to The Enneagram Institute, there are nine Enneagram types with the following descriptions. 1. THE REFORMER: The Rational, Idealistic Type: Principled, Purposeful, Self-Controlled, and Perfectionistic. 2. THE HELPER: The Caring, Interpersonal Type: Demonstrative, Generous, People-Pleasing, and Possessive. 3. THE ACHIEVER: The Success-Oriented, Pragmatic Type: Adaptive, Excelling, Driven, and Image-Conscious. 4. THE INDIVIDUALIST: The Sensitive, Withdrawn Type: Expressive, Dramatic, Self-Absorbed, and Temperamental. 5. THE INVESTIGATOR: The Intense, Cerebral Type: Perceptive, Innovative, Secretive, and Isolated. 6. THE LOYALIST: The Committed, Security-Oriented Type: Engaging, Responsible, Anxious, and Suspicious. 7. THE ENTHUSIAST: The Busy, Fun-Loving Type: Spontaneous, Versatile, Distractible, and Scattered. 8. THE CHALLENGER: The Powerful, Dominating Type: Self-Confident, Decisive, Willful, and Confrontational. 9. THE PEACEMAKER: The Easygoing, Self-Effacing Type: Receptive, Reassuring, Agreeable, and Complacent. Every Enneagram type has its own strengths, weaknesses, desires, and fears. You can try using Enneagram affirmations to realign with the core values of your type. How Do I Find My Enneagram Type? As Enneagram is growing in popularity, so are the number of sites offering Enneagram Tests. With all these different test options available, it can be hard to find the best test for your needs. Whether you're a personality test newbie or an Enneagram fanatic, you can find a test that meets your needs. Here is a compilation of the top 10 best Enneagram tests available. Most of the tests are free, but some websites require your email address to view your results. Additionally, there are paid options for individuals who want an in-depth analysis of their Enneagram personality type. Like any personality test, Enneagram Tests may not give you a completely accurate analysis of yourself. Personally, I think doing an Enneagram Test can be very useful in at least providing some general guidance towards one of the nine types. After you get your results, you can explore that type further by reading Enneagram books or Enneagram podcasts. However, it's good to keep in mind that these tests may not be 100% accurate and you may need to do some digging to validate your results. Are Free Enneagram tests accurate? Free Enneagram tests are not 100% accurate, but they can point you in the right direction in terms of your Enneagram type. But if you answer the questions honestly and put effort into it, you will get similar results from each test. You can then dive deeper into your Enneagram type using Enneagram books or podcasts. What is the most accurate Enneagram test? According to Statistical Solutions, The Enneagram Institute's Riso-Hudson Enneagram Type Indicator (RHETI) is 72 percent accurate. However, this test is not free and requires a fee of USD 12 to take. If you want to take a sample version of the RHETI for free, check out test number 8 in the list below. Keep in mind that the way you answer the questions plays a critical role in the accuracy of the results, so answering the questions truthfully will improve the accuracy of your Enneagram test. Top 10 Best Enneagram Tests 1. The Millennial Grind (FREE) Cost: Free Estimated Time Required: 5 Minutes Email Sign Up Required: No Looking for a free, quick, and hassle-free Enneagram test? We created our own test for those who are just venturing into the world of Enneagram. Many people simply don't have the bandwidth to go through a 30-minute test so we created this simple quiz for all you busy bees out there. Our Enneagram test is designed to be completed within 5 minutes. Features: Super Quick - Only 20 questions long. Instant Results - No email address required. Simple - Binary answers - Yes or No. 2. Truity (FREE + \$) Cost: Free (USD 19 to unlock full report) Estimated Time Required: 10 Minutes Email Sign Up Required: No Truity offers a superb Enneagram Personality Test that is easy to do and offers accurate results. After you complete the test, Truity offers a sample report for free but you will need to pay USD 19 to unlock the full report. The user experience is smooth and the free report is well-designed. The free report will offer you insight into your Enneagram scores, a brief explanation of your Enneagram type, how much your personality matches with the 9 Enneagram types, and what makes you unique and stand out from others. 3. Crystal (FREE) Cost: Free Estimated Time Required: 5 Minutes Email Sign Up Required: Yes Crystal offers a simple, quick Enneagram test but requires you to make an account to view your full results. The main advantage of Crystal's Enneagram Test is to see how your Enneagram type plays into other personality indicators such as the DISC assessment, Myers-Briggs personality test, Big Five Assessment, strengths, and values. Once you create an account, you can see your comprehensive results of all these tests and it offers you insights on what energies you, what drains you, and your natural talents. The Enneagram report itself is more brief compared to the other tests because Crystal relies on a combination of tests when it comes to generating your personality analysis. 4. Eclectic Energies (FREE) Cost: Free Estimated Time Required: 15 Minutes Email Sign Up Required: No Eclectic Energies is your basic no-frills Enneagram test. They offer TWO types of Enneagram tests. The classical Enneagram test consists of 14 pages of in-depth questions. If you are short on time, they offer an alternate version of the Enneagram test which is based on character traits. One major advantage the Electric Energies test has over the other tests is it gives you your wings in addition to your Enneagram type. This is perfect for Enneagram enthusiasts who want a complete understanding of their Enneagram profile. The best part about Eclectic Energies is you get the results immediately after completion. No email sign-ups, no subscriptions, nada! You can also download a PDF of your test results so you can save your results to share with a friend or for reference whenever you need it. Aside from the test, Eclectic Energies offers other information on the Enneagram, so you can do a deep dive into the personality system if you wish. Overall, it's a free, fun, no-obligation way to find out your Enneagram personality type. 5. Enneagram Academy (FREE) Cost: Free Estimated Time Required: 15 Minutes Email Sign Up Required: Yes Enneagram Academy offers a sampler version of the RHETI test (read more about the RHETI in the Enneagram Institute review below). Instead of 144 questions, the sampler is FREE and contains 36 questions only. Please note that your first name and email address are required to receive the test results. 6. EnneagramTests.net (FREE) Cost: Free Estimated Time Required: 5 Minutes Email Sign Up Required: Yes If you are looking for a super-quick and easy way to find out your Enneagram Type, then you will love the Enneagram test offered by Enneagramtest.net. There are only 36 questions, so you won't get bored during the process. The test results give you your three strongest types based on your answers. However, there is a chance this test is overly simplistic compared to other Enneagram tests so the results may not be totally accurate. Aside from that, you must provide your email address to view your results. After you take the test, you will have to wait for 60-seconds to get your test results. The website uses this time to allow visitors to donate to support the website. 7. LonerWolf (FREE) Cost: Free Estimated Time Required: 5 Minutes Email Sign Up Required: No LonerWolf offers another quick option to find your Enneagram personality type. This test is only 36 questions long and it takes around 5-minutes to complete. At the end of the test, you are asked to provide your email address to receive your test results. But you can also choose to skip this step and obtain your results directly after the test, which is great. Aside from the test, LonerWolf offers many other articles on all things related to spirituality. 8. 9 Types (FREE) Cost: Free Estimated Time Required: 5 Minutes Email Sign Up Required: No 9 Types offer a quick way to find out your Enneagram type because the test only comprises 36 questions. Each question poses a choice between two statements. This test should only take 5-10 minutes of your time to complete. Best of all, you receive the results immediately and you do not need to provide your email address to receive your test results. 9. EnneaApp (FREE) Cost: Free (USD 2.99 for full version) Estimated Time Required: 10 Minutes Email Sign Up Required: No Another option to determine your Enneagram type is through the free Enneagram test by EnneaApp. The app is free to download from The App Store and Google Play. You have to pay USD 2.99 to unlock the full version for more features. The EnneaApp test results will point you towards your top three most likely types. This is a great way to narrow down your options (out of the 9 possible types), so you can further explore and validate your type on your own. EnneaApp is perfect for both the beginner who wants to type themselves and learn about the nine personality strategies and the advanced Enneagram student who wants to deepen their knowledge and access Enneagram material on the go. 10. Similar Minds (FREE) Cost: Free Estimated Time Required: 15 Minutes Email Sign Up Required: No Similar Minds offer a 60-question Enneagram personality test, and it will take you around 15 minutes to complete the test. One disadvantage of the website is the test may be hard to read for some people. Everything is grey and my eyes felt a little strained by the end of the test. Results are displayed after completion and no email is required to view your results. The results provide you with your main Enneagram type, your variant, and your level of health. Download Your Enneagram Planner Enneagram Planner on Etsy Dive deeper into the world of Enneagram with an Enneagram Planner.
